Sir,

I have the honor to report that at the time of Jamabandy this day the people of Hoskote a hamlet attached to this (Siddapore) Village complained that the present site of their village being very close to a jungle stream continues to be damp for several months in the year, and during the last rain the stream overflowed and inundated the village. They therefore solicited

He is willing to give a portion of it viz 12 acres on payment of Rs 35, which the ryots have agreed to give him. — There are now 30 houses in the village and the population is 112. —

2. The present village site which is about 10 acres will be got assessed by the Survey Department and sold by public auction. —

3. The villagers being anxious to remove themselves to the new site as soon as possible and build their houses during the approaching dry season ~~and~~ they have been (in anticipation of sanction) permitted to do so. —

4. The usual alienation statement is enclosed.
